We're committed to making Barcan+Kirby a positive and inclusive place to work.

You'll be actively encouraged to participate in **marketing and business development** activities and we provide structured **training and development opportunities**, such as our Associates Academy for senior lawyers, our Training Academy for newly qualified lawyers and development workshops for trainee lawyers.

Achieving a **healthy work-life balance** is also important, so you'll have the chance to get involved in activities outside of your day job, such as fundraising for our designated charity or by joining one of our committees.

We ensure that **our staff feel listened to**. We encourage feedback and ideas through regular staff surveys and a firm-wide suggestions box, all of which is reviewed and considered by the Board.

Charity and social events

We're actively involved in charitable fundraising and give our staff the autonomy to decide how our charity and social budgets should be spent.

Over the years we've supported a range of local and national charities and groups, raising money through fundraising and providing pro-bono legal services.

We've baked cakes, trekked miles across countryside and cycled from Lands End to Bristol to raise funds for our nominated charities. Our staff, led by our volunteer Charity and Social Committee, raise funds every year and we're immensely proud of our fundraising achievements.

We've worked with a number of Bristol charities including BRACE, The Grand Appeal, Bristol MIND and 1625 Independent People. At the end of each year all staff get to vote on which charity they would like to support for the next year.

Our Charity and Social Committee also helps organise our staff Christmas parties, Summer and Winter conferences, and charity events. We regularly host pub quizzes, bingo, art competitions and office parties.

Early legal careers.

Summer Vacation Scheme

Our Summer Vacation Scheme is available for those in their second or final year of a law degree, or studying for the SQE or LPC.

Our virtual one-day event allows budding lawyers the opportunity to spend time with every department across the firm, meet the Board members and receive hints and tips from our past and present trainees.

“ The Summer Vacation Day was a brilliant way for me to get to know Barcan+Kirby and confirmed my decision to apply for a Paralegal role at the firm.

Experiencing the firm's many departments throughout the day also allowed me to narrow down which area I wanted to apply for and, following the scheme, I started my role in the Commercial Property team. I would highly recommend this scheme to anyone interested in applying to Barcan+Kirby!"

- Sacha Jones, Trainee Solicitor SQE

“ The Summer Vacation Day was a really valuable experience for me as a Law graduate. It gave a glimpse into loads of areas of law and it was fascinating to hear about the cases we were studying, especially knowing they were real cases the firm worked on!

Meeting staff during the day was what convinced me to apply for a job at Barcan+Kirby; starting as a Receptionist and moving into Paralegal roles. The firm has been great at supporting me, both in my role and with my studies."

- Oliver Clarkson, Paralegal

Qualifying with us.

Becoming a Solicitor or lawyer

If you have just completed your studies and want to start a career in law, we have plenty to offer via our **Staff Development Programme**. We also run regular development workshops which provide opportunities to build internal relationships, gain exposure and receive training.

Our routes to qualification as a lawyer include:

- + **Paralegal Apprenticeship:** an 18-month programme for staff moving into a Paralegal role.
- + **A bridging qualification between the Paralegal Apprenticeship and the CPQ Foundation stage:** a six to 12-month programme for staff who have completed the Paralegal Apprenticeship and want to qualify as a CILEx lawyer.
- + **CPQ Apprenticeship:** there are various levels, from Foundation to Professional, that facilitate qualifying as a CILEx lawyer (more below).
- + **Solicitor and Graduate Solicitor Apprenticeships** (more below).
- + **SQE qualifying work experience:** if you have passed or are working towards passing SQE 1 and 2, we can sign off qualifying work experience.

“Colleagues at all levels are encouraged to contribute to the wider firm, allowing everyone to feel valued and part of the team. Because of this, I have already presented at the Insight Evening, joined a committee and represented the firm at a university law fair.

I feel very lucky to be part of a firm that is invested in my both my personal and professional development.”

- Courtenay Salway, Solicitor (former trainee)

ILEx qualifications

Not all lawyers have degrees. You can train as a lawyer with CILEx, starting with the Paralegal Apprenticeship or CPQ (CILEx Professional Qualification) Foundation stage.

There are also opportunities for those with a degree or with a degree and an LPC to qualify through the CPQ Advanced stage and relevant experience in just 12 - 18 months. If you are already a Paralegal with Trainee CILEx Lawyer status, you can complete the CPQ Professional stage to qualify. [Read more about the routes to qualification as a CILEx lawyer here.](#)

The CILEx route lets you learn on the job. You'll gain real-world, practical experience in your chosen area of law, with guidance from experienced lawyers within the team.

At the same time, you'll pursue a structured, targeted programme of study and exams to qualify as a CILEx Lawyer, which allows you to practice in your chosen area of law.

Solicitor Apprenticeships.

Solicitor Apprenticeship Programme

We partner with the University of Law to provide our Solicitor Apprenticeship Programme, a six-and-a-half-year programme for aspiring solicitors who don't have a university degree.

The Programme provides immediate direct exposure to a range of live cases, giving you the opportunity to gain invaluable experience in one department. You will be assisted and trained on a wide variety of practice areas and receive one-to-one mentoring from senior colleagues and a supportive team in your chosen department. Find out more [here](#).

Although candidates don't need to have a degree, you are required to have:

- + Three A-Levels at grade C or above, or the equivalent; and
- + Five GCSEs including Maths and English at grade 4+ (or the equivalent).

“ This is a great alternative route to becoming a Solicitor; it allows you to get an academic qualification and hands-on experience.

Not only do you not have the debt of university fees, but you are also paid for doing the apprenticeship. It builds your legal knowledge and provides transferable skills that you will use on a day-to-day basis.”

- Gabi Chenoweth, Solicitor Apprentice

Graduate Solicitor Apprenticeship Programme

We have partnered with the University of Law to provide this 27-month programme, specifically designed for applicants who have already completed a Bachelor's degree in Law within the last three years or 33 months with any degree.

The programme prepares apprentices for the Solicitors Qualifying Exams (SQE 1 and SQE 2) which were introduced in September 2021 as the new route to qualifying as a Solicitor.

“ The apprenticeship gives the perfect opportunity to work towards the SQE whilst still gaining valuable hands-on experience and preventing the need for a career break.

I am excited to be on my qualification journey with colleagues who are enthusiastic about my progression.”

- Lucy Amos, Graduate Solicitor Apprentice

You will gain experience on a wide range of practice areas and receive 121 mentoring from senior colleagues.

Apprentices have a Solicitor Skills Coach, who will guide you to build a work-based portfolio.

You will also receive help and support to prepare you for the Solicitors Qualifying Exams. Upon successful completion and subject to SRA Character and Suitability Test, Apprentices will become qualified lawyers. Find out more [here](#).

Path to progression.

Solicitors, Associates and beyond.

For experienced solicitors, working at Barcan+Kirby presents truly exciting opportunities for you to play a part in our success, make an impact and enjoy the recognition you deserve.

Every lawyer has the chance to apply for promotion on a yearly basis, subject to a business need and matching criteria. We **champion staff to continually strive for more**, and encourage all managers to work with their team to progress them further.

Our fee-earning roles include:

- + Solicitor
- + Associate
- + Senior Associate
- + Legal Director
- + Partner (salaried)

Associates Academy

“ Through the Associates Academy, I was given the opportunity to create and implement a staff rewards scheme across the whole firm. It feels good to know that I can be involved in projects which **make a difference to the entire firm.**”

- Associate in our Associates Academy

Our Associates Academy offers an internal pathway for progression for ambitious Associates and Senior Associates by helping them to develop the skills necessary to become **future business leaders**.

Academy members work openly and collaboratively to deliver a wide range of firm and departmental projects that shape our vision, values and long-term business strategy. The level of responsibility we give our Associates is high; but we'll also give you the tools, opportunities and autonomy you need to deliver, as well as the encouragement you need to succeed.

In return, you'll have support from an allocated mentor, as well as receiving open and constructive feedback, clear career progression and involvement in projects that develop both you and the firm.

Training Academy

Our newly qualified lawyers are an important part of our future. We understand that the early stages post-qualification bring a new set of challenges and for this reason, the Barcan+Kirby Training Academy was established.

The Barcan+Kirby Training Academy is for our newly qualified lawyers (up to three years PQE).

Through the Academy, lawyers have the opportunity to:

- + Build relationships with senior staff
- + Learn business skills
- + Receive training in marketing and business development, finance and compliance
- + Meet regularly to share information, discuss challenges and support each other
- + Showcase their project management, organisational and teamwork skill set

What our staff say.

“ Since joining Barcan+Kirby in 2006, I have **progressed my career and become a Partner whilst on maternity leave** with my first child.

I've seen a lot of changes since I first joined, but I've stayed with the firm as I have **felt supported, listened to** and for me, crucially, there has been the **opportunity for development** and progression."

- *Samantha Castle, Partner*

“ I joined Barcan+Kirby, having worked at another law firm for many years and in a variety of roles. Prior to that, my career was in retail banking, so **I have not entered the legal profession via the usual routes**, as well as entering at an older age than most!

The firm is **encouraging of staff of all ages and backgrounds to progress their legal careers**. So, although I entered the legal profession later in life, I can work towards goals that I might never have thought possible.”

- *Virginia Palmer, Paralegal*

“ I chose to train with Barcan+Kirby primarily due to **our exceptional reputation** in the South West and because of the **personal touch we have with all our clients**.

I value the opportunity to work closely with my clients and relish the responsibility placed upon me in my everyday work."

- *Harvey Rainey, Trainee Solicitor*
